

I Don't Know You Anymore

Savage Garden

I would like to visit you for a while
Get away and out of this city
Maybe I shouldn't have called but
Someone had to be the first to break
We can go sit on your back porch
Relax
Talk about anything
It don't matter I'll be courageous if you can pretend
That you've forgiven me
Cause I don't know you anymore
I don't recognise this place
The picture frames have changed
And so has your name
We don't talk much anymore
We keep running from the pain
But what I wouldn't give to see your face again
Springtime in the city
Always such a relief from winter freeze
The snow was more lonely than cold if you know what I mean
Everyone's got an agenda
Don't stop keep that chin up you'll be alright Can you believe what a year it's been
Are you still the same?
Has your opinion changed?
Cause I don't know you anymore
I don't recognise this place
The picture frames have changed
And so has your name
We don't talk much anymore
We keep running from the sentence
But what I wouldn't give to see your face again
I know I let you down Again and again
I know I never really treated you right
I've paid the price
I'm still paying for it every day
So maybe I shouldn't have called
Was it too soon to tell? Oh what the hell
It doesn't really matter
How do you redefine something that never really had a name?
Has your opinion changed?
Because I don't know you anymore
I don't recognise this place The picture frames have changed
And so has your name

We don't talk much anymore
We keep running from the pain
But what I wouldn't give to see your face again
I see your face
I see your face
