

# Be One

Natalie Grant

We don't feel ready  
We don't feel steady  
Question what we really have to give  
Stay where it's safer  
Claim faith, but waiver  
Is this how we really meant to live? We pray but never move  
We say but never do It's time to get our hands dirty  
Oh oh, oh oh  
Be love there's a whole lot of hurting  
Oh oh, oh oh  
Calling all hearts  
Calling all hands  
Calling all feet to take a stand  
Why sit around and wait for a miracle to come  
when we can be one?  
When we can be one  
When we can be one  
A little somethin'  
Might feel like nothin'  
But in His hands it's all we'll ever need  
To speak life to the broken  
Watch the blind eyes open  
It's who He's calling you and me  
To be It's time to get our hands dirty  
Oh oh, oh oh  
Be love there's a whole lot of hurting  
Oh oh, oh oh  
Calling all hearts  
Calling all hands  
Calling all feet to take a stand  
Why sit around and wait for a miracle to come  
when we can be one?  
When we can be one  
We can be the change, be the hope  
We can be the arms that don't let go  
We can be a light in the dark  
We are, we are where it starts It's time  
Oh oh, oh oh  
Be love there's a whole lot of hurting  
Oh oh, oh oh  
Calling all hearts  
Calling all hands

Calling all feet to take a stand  
Why sit around and wait for a miracle to come  
when we can be one?  
When we can be one  
When we can be one  
We can be the change, be the hope  
Yeah  
We can be the arms that don't let go  
Calling all hearts  
Calling all hands  
Oh oh, oh oh.
