

Superstar (feat. Becky G)

Pitbull

Mr. Worldwide, Becky G
Copa América
Con las manos pa' arriba, dale
Con las manos pa' arriba, dale
Con las manos pa' arriba, dale
It's not how you fall, it's how you get back up I'm ready for whatever, fo' sho'
Come on, Becky G, let's go
Esta pa la gente en el barrio
La gente en la lucha
El mundo entero, yo se que me escuchan
Pon las banderas pa' arriba
Y dile no pare, sigue sigue
Todos los Latinos, sigue, sigue
Todos los paises, sigue, sigue
Because your touch, like poison, is running through my veins
Amor mi, how electric, siempre, siempre, siento
We're like Bonnie and Clyde, we reach for the sky
Desde hoy, forever, yeah, tonight
We will be superstars, superstars, you and I
We will be superstars, superstars, you and I
Yeah, we run this party
We will be superstars, superstars, you and I
Yeah, we run this party
We will be superstars, superstars, you and I
Come and join La fiesta We will be superstars
I'm giving it my all
Blood, sweat and tears, win, lose or draw
Todo lo que tengo, todo lo que soy
Lucha hasta la muerte, todo lo que doy
Ahora todo el mundo con las manos arriba
Como? A celebrar la vida
Como? Todo mundo con las manos arriba
Como? A celebrar la vida
Dale Because your touch, like poison, is running through my veins
Amor mi, How electric, siempre, siempre, siento
We're Like Bonnie and Clyde, we reach for the sky
Desde hoy, forever, yeah, tonight
We will be superstars, superstars, you and I
We will be superstars, superstars, you and I
Yeah, we run this party
We will be superstars, superstars, you and I
Yeah, we run this party

We will be superstars, superstars, you and I
Come and join La fiesta We will be superstars
We will be superstars
