

Lost Heaven

L'Arc~en~Ciel

Wo! ??????????????????
????????????????????
????????????????We'll say goodbye, lost Heaven.
How we longed for Heaven.
We're letting go of something we never had.
Time goes so fast, Heaven is lost.????????????????
????????????????
????????????????We'll say goodbye, lost Heaven.
How we longed for Heaven.
We're letting go of something we never had.
Time goes so fast, Heaven is lost.????????????????
We'll say goodbye, lost Heaven.
We'll say goodbye, lost Heaven.
How we longed for Heaven.
We're letting go of something we never had.
Time goes so fast, Heaven is lost.
We'll say goodbye, lost Heaven.
How we longed for Heaven.
We're letting go of something we never had.
Time goes so fast, Heaven is lost.
I wish you good luck. I still remember everyday.
