

# Take My Breath Away

## New Kids On the Block

Take my breath (repeat)(Jordan)  
I got everything in the world  
Whatever you need come here first  
Cause I wouldn't have nothing without you  
And I'm so thankful girl  
I wouldn't have nothing without you  
Girl you are my world(All)  
Cause baby you know I love you  
So take my breath away  
I don't need nothing I got you  
So take the rest away  
Cause girl you take my words  
You deserve, girl you deserve  
My everything  
Cause baby you know that I love you  
So take my breath  
Take my breath  
Take my breath away  
Take my breath (repeat)(Joey)  
You are all I need in the world  
Because everything is what you're worth  
And I wouldn't have nothing without you  
I'm so thankful girl  
I wouldn't have nothing without you  
Cause girl you are my world(All)  
Cause baby you know I love you  
So take my breath away  
I don't need nothing I got you  
So take the rest away  
Cause girl you take my words  
You deserve, girl you deserve  
My everything  
Cause baby you know that I love you  
So take my breath  
Take my breath  
Take my breath away  
(Donnie - 2x)  
Don't need money  
Just need you  
Don't need nothing  
Just need you  
Take all of me it's cool

Don't need nothing  
I just don't...(1st)  
I just need you (2nd)(All)  
Cause baby you know I love you  
So take my breath away  
I don't need nothing I got you  
So take the rest away  
Cause girl you take my words  
You deserve, girl you deserve  
My everything  
Cause baby you know that I love you  
So take my breath  
Take my breath  
Take my breath away
