## **Ghost Town**

## **The Vaccines**

I've been driving in my car
Trying to find some sign of life
No on'e about and it's kinda creepy
It's an understatement to say it's sleepyIt's a ghost town where no one goes
It's a ghost town where no one goesWell you think your town is pretty boring
Come and spend a day with me
I am asking real politely
I'm afraid to be alone
It's a ghost town where no one goes
It's a ghost town
Ghost town
Ghost town
