

# What I Like

## Charli XCX

You call me up at 6  
Come 'round, undressing in my house again  
Your t-shirt's on the floor  
Yeah, we're undressing in my house again You know just what I like  
You call me up at 6  
Come 'round, undressing in my house again  
Your t-shirt's on the floor Yeah, we're undressing in my house again  
You know just what I like  
You used to come around, you'd be knocking on my front door  
Playing board games, horror films with the super gore  
Thought that you were cute from the start, yeah, I'm pretty sure  
You were like the medicine, the medicine I wanted more  
All along I wanted someone to vibe with  
Found the guy I want the rest of my life with  
Ha, we on some husband and wife shit  
I don't really care, 'cause I know that I like it  
And when the clouds part open  
When the last word is spoken  
When the last heart's been broken  
We'll be sitting on your bedroom floor, still smoking  
And when the clouds part open  
When the last word is spoken When the last heart's been broken  
We'll be sitting on your bedroom floor, still smoking  
You call me up at 6  
Come 'round, undressing in my house again Your t-shirt's on the floor  
Yeah, we're undressing in my house again  
You know just what I like  
You call me up at 6  
Come 'round, undressing in my house again  
Your t-shirt's on the floor  
Yeah, we're undressing in my house again  
You know just what I like  
Well, now I've got a plan  
I hope you're gonna be my man  
I can see us cushy in a house right by the ocean sand  
And when I wanna cry I hope you're gonna hold my hand  
And when this shit goes down  
I hope you're gonna make a stand  
This shit is super wild This shit is super cool  
This shit is kinda gangsta  
I think I'm into you  
This shit is super wild

This shit is super cool  
This shit is kinda gangsta  
I think I'm into you  
You call me up at 6  
Come 'round, undressing in my house again  
Your t-shirt's on the floor  
Yeah, we're undressing in my house again  
You know just what I like  
You call me up at 6  
Come 'round, undressing in my house again  
Your t-shirt's on the floor  
Yeah, we're undressing in my house again  
You know just what I like
