

# So Get Up

## Cosmic Gate

Get up  
The end of the earth is upon us  
Pretty soon it'll all turn to dust

So get up  
Forget the past  
Go outside and have a blast

So get up  
The end of the earth is upon us  
Pretty soon it'll all turn to dust

So get up  
Forget the past  
Go outside and have a blast

Go out of your mind  
Go insane  
To a place you never been before

So get up
