

So Get Up

Cosmic Gate

Get up
The end of the earth is upon us
Pretty soon it'll all turn to dust
So get up
Forget the past
Go outside and have a blast
So get up
The end of the earth is upon us
Pretty soon it'll all turn to dust
So get up
Forget the past
Go outside and have a blast
Go out of your mind
Go insane
To a place you never been before
So get up
