## Gene Loves Jezebel

(Sugar)

Oh sugar, I've been missing you  
And I've been wondering, where it is you're hiding  
I've been a ball of fire in your arms desire  
And I've been wondering, where it is you're hiding(Sugar)  
What you get is what you seek

(Sugar)

Desire

(Sugar)

What you get is what you seek

(Sugar)

Desire

Oh honey, I won't be kissing you  
And I've been wondering, where it is you're hiding  
I've been a ball of fire in your arms desire  
And I've been wondering, where it is you're hiding(Sugar)  
What you get is what you seek

(Sugar)

Desire

(Sugar)

What you get is what you seek

(Sugar)

Desire I've had my ears to the ground, to the ground  
I'm just trying to find out what you're hiding  
What is the mystery?

What you get is what you seek

(Sugar)

Desire

(Sugar)

What you get is what you seek

(Sugar)

Desire(Sugar)

What you get is what you seek

(Sugar)

Desire

(Sugar)

What you get is what you seek

(Sugar)

Desire(Sugar)

What you get is what you seek

(Sugar)
