

# Get Over You

Faith Evans

I can remember the day and time that we broke up  
It was December and the holidays were coming up  
I didn't expect to loose all of the time I shared with you  
But now that it's gone I find myself longing for you[Pre-Chorus]  
No doubt about it I'm sorry for the way things worked out  
If I could change it I would change it but I don't know how  
Ooooooooooooooooooooo  
(No I can't ain't no need to cry when I know the reason why)  
You chose to leave me but I still wish you were here with me[Chorus]  
Its true I can't get over you  
No matter what I do  
Even if I try I, I can't get over you  
I can remember calling your phone and hanging up  
Cause I was to afraid to talk, if by chance you picked it up  
But now that I done thought about it,  
I'd feel better if we talk about it  
And let you know what's on my mind  
See I wanna try to make things right.[Repeat Prelude]  
[Repeat Chorus]Lately I've been doing some reminiscing  
I'd be lying if I said that I don't miss you  
I have feelings from deep in the past  
Cause now I need you back  
It wasn't so bad[Repeat Chorus 2x]  
I can't get over you  
I can't get over you  
No I can't get over  
Said no way I can't get over  
I can't get over you  
Alright yea yea
