

# Total Eclipse of the Heart

## Straight No Chaser

Every now and then  
I get a little bit lonely  
And you're never coming round(Turn around)  
Every now and then  
I get a little bit tired  
Of listening to the sound of my tears(Turn around)  
Every now and then  
I get a little bit nervous  
That the best of all the years have gone by(Turn around)  
Every now and then I get a little bit terrified  
And then I see the look in your eyes  
(Turn around, bright eyes)  
Every now and then I fall apart  
(Turn around, bright eyes)  
Every now and then(Turn around)  
Every now and then  
I get a little bit restless  
And I dream of something wild(Turn around)  
Every now and then  
I get a little bit helpless  
And I'm lying like a child in your arms(Turn around)  
Every now and then  
I get a little bit angry  
And I know I've got to get out and cry  
(Turn around)  
Every now and then  
I get a little bit terrified  
But then I see the look in your eyes(Turn around, bright eyes)  
Every now and then  
I fall apart  
Turn around, bright eyes  
Every now and then  
I fall apartTogether we can take it to the end of the line  
Your love is like a shadow on me all of the time (all of the time)I don't know what to do and  
I'm always in the dark  
We're living in a powder keg and giving off sparksI really need you tonight  
Forever's gonna start tonight  
(Forever's gonna start tonight)Once upon a time I was falling in love  
But now I'm only falling apart  
There's nothing I can say  
A total eclipse of the heartTurn around, bright eyesTurn around, bright eyesTurn around, bright  
eyesTurn around, bright eyesTurn around, bright eyesTurn around, bright eyesTurn around,

bright eyes Turn around, bright eyes Turn around, bright eyes Turn around, bright eyes (Turn  
around, bright eyes)  
Every now and then  
I fall apart  
Turn around, bright eyes  
Every now and then  
I fall apart And I need you now tonight  
And I need you more than ever  
And if you only hold me tight  
We'll be holding on forever Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart A total eclipse of the heart  
A total eclipse of the heart Turn around, bright eyes Turn around, bright eyes (End)
