Total Eclipse of the Heart

Straight No Chaser

Every now and then I get a little bit lonely And you're never coming round(Turn around) Every now and then I get a little bit tired Of listening to the sound of my tears(Turn around) Every now and then I get a little bit nervous That the best of all the years have gone by(Turn around) Every now and then I get a little bit terrified And then I see the look in your eyes (Turn around, bright eyes) Every now and then I fall apart (Turn around, bright eyes) Every now and then(Turn around) Every now and then I get a little bit restless And I dream of something wild(Turn around) Every now and then I get a little bit helpless And I'm lying like a child in your arms(Turn around) Every now and then I get a little bit angry And I know I've got to get out and cry (Turn around) Every now and then I get a little bit terrified But then I see the look in your eyes(Turn around, bright eyes) Every now and then I fall apart Turn around, bright eyes Every now and then I fall apartTogether we can take it to the end of the line Your love is like a shadow on me all of the time (all of the time)I don't know what to do and I'm always in the dark We're living in a powder keg and giving off sparksI really need you tonight Forever's gonna start tonight (Forever's gonna start tonight)Once upon a time I was falling in love But now I'm only falling apart There's nothing I can say A total eclipse of the heartTurn around, bright eyesTurn around,

bright eyesTurn around, bright eyesTurn around, bright eyes(Turn around, bright eyes) Every now and then I fall apart Turn around, bright eyes Every now and then I fall apartAnd I need you now tonight And I need you more than ever And if you only hold me tight We'll be holding on foreverOnce upon a time there was light in my life But now there's only love in the dark Nothing I can say A total eclipse of the heartA total eclipse of the heart A total eclipse of the heartTurn around, bright eyes(End)
