

About Today

The National

Today You were far away
And I
Didn't ask you why
What could I say
I was far away
You just walked away
And I just watched you What could I say How close am I
To losing you
Tonight You just close your eyes And I just watch you
Slip away
How close am I
To losing you
Hey, are you awake
Yeah I'm right here
Well can I ask you
About today.
How close am I
To losing you
How close am I
To losing
