Bulletproof Heart

My Chemical Romance

Gravity Don't mean too much to me I'm who I've got to be These pigs are after me, after you Run away, like it was yesterday And we could run away, if we could run away Run away from hereI got a bulletproof heart You got a hollow-point smile Me and your runaway scars Got a photograph dream on the getaway mile Let's blow a hole in this town And do our talking with a laser beam Gunning out of this place in a bullet's embrace Then we'll do it again How can they say "Jenny could you come back home?" 'Cause everybody knows you don't Ever want to come back Let me be the one to save youGravity Don't mean too much to me I'm who I've got to be These pigs are after me, after you Run away, like it was yesterday And we could run away, if we could run away Run away from here I'm shooting out of this room Because I sure don't like the company Stop your preaching right there 'Cause I really don't care And I'll do it again So get me out of my head 'Cause it's getting kind of cramped you know Coming ready or not When the motor gets hot We can do it againThe papers say "Johnny won't you come back home?" 'Cause everybody knows you don't Want to give yourself up, tell the truth And God will save youGravity Don't mean too much to me I'm who I've got to be

These pigs are after me, after you

Run away, like it was yesterday And we could run away, if we could run away Run away from hereAnd though I know how much you hate this Are you going to be the one to save us From the black and hopeless feeling? Will you mean it when the end comes reeling? Hold your heart into this darkness Will it ever be the light to shine you out Or fail and leave you stranded? I'm not going to be the one left standing You aren't going to be the one left standing We aren't going to be the ones left standingGravity Don't mean too much to me Is this our destiny? This world is after me, after you Run away, like it was yesterday

And we could run away, run away, run away
Run away from here Yeah
Away from here
Away from here
