## Used to Love Her (But I Had to Kill Her)

## **Voodoo Glow Skulls**

I used to love But I had to kill her I used to love her, oh yeah But I had to kill herI had to put her six feet under And I can still hear her complainI used to love her But I had to kill her I used to love her, oh yeah But I had to kill her I knew I'd miss her so I had to keep her she's buried right in my back yardI used to love her But I had to kill her I used to love her, oh yeah But I had to kill herShe bitched so much She drove me nuts And now I'm happier this wayI used to love her But I had to kill her I used to love her, oh yeah But I had to kill her I had to put her six feet under and I can still hear her complainShe bitched so much She drove me nuts Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
