John Mayer

I worry, I weigh three times my body  
I worry, I throw my fear around  
But this morning  
There's a calm I can't explain  
The rock candy's melted  
Only diamonds now remain  
By the time I recognize this moment  
This moment will be gone  
But I will bend the light pretending  
That it somehow lingered on  
Well all I got's  
And I will wait to find  
If this will last forever  
And I will wait to find  
If this will last forever  
And I will pay no mind  
When it won't and it won't  
Because it can't  
It just can't  
It's not supposed to  
Was there a second of time I looked around?  
Did I sail through or drop my anchor down?  
Was anything enough to kiss the ground  
And say I'm here now?  
And she is here now  
So much wasted in the afternoon  
So much sacred in the month of June  
How about you?  
And I will wait to find  
If this will last forever (yeah)  
And I will wait to find  
That it wont, and it won't and it won't  
And I will pay no mind  
Worried 'bout no rainy weather (yeah)  
And I will waste no time  
Remaining in our lives together
