The General Specific

Band of Horses

If the trials at hand are really getting you down We had a close call I didn't even see it, then another one I hardly believed it at allAnd what the writers say It means shit to me now Plants and animals We're on a bender when it's 80 degrees The end of December, what's going on? Only for you and meWith a showing of hands, who's going back to the South? We're hungry, next that I know Been running the blender in the lightning storm Disguised as a blessing, I'm sureAnd knowing ahead, there comes a fork in the road Pants have gotta go We're on an island on the Fourth of July Looks like the tide is going home In time I'd find A little way to your heart Down to the general store for nothing specific Gonna wash my bones in the Atlantic shoreOnly for you and me Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
