

# Marjorine

Joe Cocker

Marjorine, where have you been.  
did you meet the queen, marjorine  
let me know, why did you go  
why won't you show, marjorine?  
Down by the sea, searching for me, marjorine  
we all want you back, but you will not get in the sack, no  
Each time i go to town, i'll see your face in the crowd,  
and when i come back home, i'll call your name out aloud  
Marjorine, life is too short,  
you'll just get caught, marjorine  
tried to find what's on your mind  
i won't be unkind, marjorine  
clouds start to form, keeping you warm, marjorine  
life can be clean where have you been, o marjorine  
Each time i go to town, i'll see your face in the crowd,  
and when i come back home, i'll call your name out aloud  
[instrumental]  
Each time i go to town, i'll see your face in the crowd,  
and when i come back home, i'll call your name out aloud  
Each time i go to town, i'll see your face in the crowd, [fade]  
and when i come back home, i'll call your name out aloud
