

Keep My Cool

Madcon

Girl
You know I've been around the world
But nothing can beat the view
Off you putting that thing to work
Like a 9 to 5
You got them sun kissed thighs
Girl you're hotter than july
If I act a fool, its because of you
You take me back in time
Feels like 1989
If I act a fool, its because of you
How'm I supposed to keep my cool
oh, oh, ohhhh x 2
When I'm next to you
How'm I supposed to keep my cool
oh, oh, ohhhh x 2
Girl you're such a view
How'm I supposed to keep my...
Cool
How'm I supposed to keep my cool
oh, oh, ohhhh x 2
When I'm next to you
How'm I supposed to keep my
Mind on my money, and my money on my mind
When you keep dancing
The way you dancing
Beast mode
You own that shit, don't you quit
No baby don't you quit
You got them sun kissed thighs
Girl you're hotter than july
If I act a fool, its because of you
You take me back in time
Feels like 1989
If I act a fool, its because of you
How'm I supposed to keep my cool
oh, oh, ohhhh x 2
When I'm next to you
How'm I supposed to keep my cool
oh, oh, ohhhh x 2
Girl you're such a view
How'm I supposed to keep my...

Cool
How'm I supposed to keep my cool
oh, oh, ohhhh x 2
When I'm next to you
How'm I supposed to keep my cool
So fresh and so clean
Trying to get a vibe, but keep it low key
I said don't worry them drinks is on me
But how to keep cool when this chick is so real
Damn
Blown off the meter, repeat to myself
Keep cold when you meet her
Don't need to get drunk to talk
But with that juice in youre trunk
How'm I supposed to keep my cool
oh, oh, ohhhh x 2
When I'm next to you
How'm I supposed to keep my cool
oh, oh, ohhhh x 2
Girl you're such a view
How'm I supposed to keep my...
Cool
How'm I supposed to keep my...
Cool
How'm I supposed to keep my cool
