Ladies and gentlemen, this is something they call A ground breaker
So let me first apologise
To the shirts and the ties
For your make up
Cause I'll make you ugly As soon as it drops
We're on a rampage Bottles popping off
Before you know it There's Rubble and dust
Cause we be pushing it up
Somebody say... (you better run)
Yeah
I predict an earthquake
Up in here
Say yeah
I predict an earthquake Up in here
'cause we throw bombs on it Throw bombs on it Just smash something
Yeah much for me Yeah
We can make an earthquake up in here
So here we go we go
Ladies and gentlemen, What you're about to witness Is no illusion And now, We got the bass
banging from here to buckingham palace They're all moving
Hey Simon, We're fucking them up
Turning em syco, Everybody rock
