Falling

Mike Posner

Well, alright, oh, oh, Lord
Well, alright, oh, oh, Lord
Well, alright, oh, Lord
Well, arightDrive your high heel into my heart
I don't even care

'Cause my pride is worth much more than your Your stupid little loveEvery word that you say keeps on

Bouncing around in my head

When all my delusions of grander

Have turned into bad jokes insteadYou'll be there pointing and laughing

To prove you were wiser than I

Well, I'm just pretending perfection

I'm flying uncomfortably high

It feels like I'm falling

It feels like I'm falling

It feels like I'm all in

It feels like I'm fallingDrive your high heel into my heart

'Cause I don't even care

My pride is worth much more than your

Your stupid, your stupid little loveEvery word that you say keeps on

Bouncing around in my head

When all my delusions of grander

Have turned into bad jokes insteadYou'll be there pointing and laughing

To prove you were wiser than I

Well, I'm just pretending perfection

I'm flying uncomfortably high

It feels like I'm falling

It feels like I'm falling

It feels like I'm all in

It feels like I'm fallingIt feels like I'm falling

It feels like I'm falling

It feels like I'm all in

It feels like I'm fallingWell, alright, oh, Lord

Well, alright, oh, Lord, oh, Lord
