

# Songs About Me

## Trace Adkins

I met a guy on the red eye  
He spotted my guitar  
and said what do you do?  
I said, I sing for a living,  
Country music mixed with  
a little rock and a little blues  
He said I'm sorry  
but I've never been crazy  
'bout that twang and trains and hillbilly thing  
What ever made you want to sing stuff like that?  
I just looked at him and laughed and said  
cause it's songs about me  
and who I am  
songs about loving and living  
and good hearted women and family and God  
yeah they're all just  
songs about me  
songs about me So I offered him tickets  
I said you'll see what I mean  
if you show up tonight  
he said I doubt you'll change my opinion  
I'll be kind of busy, but hey man, I'll try Then later on when we finished our songs  
about scars and cars and broken hearts  
I saw him, he was standing there  
right next to the stage  
and he shouted  
man you were right  
it was like you sang those  
songs about me  
and who I am  
songs about loving and living  
and good hearted women and family and God  
yeah they're all just  
songs about me  
songs about me So I'll just keep on singing  
'til I hear the whole world singing those songs about me  
and who I am  
songs about loving and living  
and good hearted women and family and God  
yeah they're all just  
songs about me
