

# Baby You're Beautiful

## Lady Bri

[Verse 1]

You're beautiful you're fierce and strong  
Don't let those haters do you wrong

Look in the mirror

Wipe away those tears

Pick yourself up

Dust yourself off [Chorus]

If you wanna say it

I'm good

If you wanna feel it

I'm good

Girl you got a heart of gold

You're powerful

You know it's true

Don't you know you got it?

I'm good

Don't you know you're

Everything and more

There's only one you

Only one beautiful you

Baby you're beautiful

Baby you're beautiful

[Verse 2]

You've got the fight you've got the will

You've got a beauty that is real

Hold your head high

You're one of a kind

There's only one you

One beautiful you

[Chorus]

If you wanna say it

I'm good

If you wanna feel it

I'm good

Girl you got a heart of gold

You're powerful

You know it's true

Don't you know you got it?

I'm good

Don't you know you're

Everything and more
