

# Runaway

## Bon Jovi

On the streets where you live  
girls talk about their social lives.  
They're made of lipstick, plastic and paint  
a touch of sable in their eyes.(All your life) all your life all you've asked  
is when's your daddy gonna talk to you.  
But you were living in another world  
tryin' to get your message through.No one heard a single word you said.  
They should have seen it in your eyes  
What was going around your head.Ooh, she's a little runaway.  
Daddy's girl learned fast  
All those things he couldn't say.  
Ooh, she's a little runaway.  
Different line every night  
guaranteed to blow your mind  
I see you out on the streets  
calling for a wild time.So you sit home alone  
'cause there's nothing left that you can do.  
There's only pictures hung in the shadows left there to look at you.You know she likes the  
lights at nights  
on the neon Broadway signs.  
She don't really mind  
it's only love she hoped to find.Ooh, she's a little runaway.  
Daddy's girl learned fast  
All those things he couldn't say.  
Ooh, she's a little runaway.No one heard a single word you said.  
They should have seen it in your eyes  
What was going around your head.  
Ooh, she's a little runaway.  
Daddy's girl learned fast  
All those things he couldn't say.Ooh, she's a little runaway.  
Daddy's girl learned fast  
Now she works the night away.Ooh, she's a little runaway.  
Daddy's girl learned fast  
All those things he couldn't say.Ooh, she's a little runaway.  
Daddy's girl learned fast  
Now she works the night away.
