

Who Else (feat. Andy Mineo)

Social Club Misfits

friends of the family
do it for the friends of the family
friends and the family
do it for the friends of the family
who else?
friends of the family
do it for the friends of the family
friends of the family
if you don't know them, you don't know me man
friends of the family
do it for the friends of the family, aye!
friends and the family
do it for the friends of the family
who else?
friends of the family
do it for the friends of the family
friends of the family
if you don't know them, you don't know me man
load up the bus
man, 'bout to go on tour again
rollin' out with these hooligans
listen man, all we do is win, ooh!
'bout to make chubby fellas cool again
that ain't happen since escobar
it's friends and family, who the rest of y'all?
my god
misfits, unashamed
man, that's the campaign
man, i been shinin' way before i had a chain
still don't got one, what the heck am i sayin'?
ever since i met god, man, never been the same
now i got the big picture into my frame
and i came up in the game
but i remained me, the same
cause i kept the letter "e" out of the word "fame" that's "fam"
friends of the family
do it for the friends of the family
friends and the family
do it for the friends of the family
who else?
friends of the family
do it for the friends of the family

friends of the family
 if you don't know them, you don't know me man
 friends of the family
 do it for the friends of the family, aye!
 friends and the family
 do it for the friends of the family
 who else?
 friends of the family
 do it for the friends of the family
 friends of the family
 if you don't know them, you don't know me manyou look like a men in black alien trying to
 blend in on earth. stop talkin'gi feel like a young fonzarelli
 racin' khaled on a jet ski
 only if my wifey let's me
 aye guys, she's cool, we're good
 this is for the friends and family
 they don't what we been doing, wow
 planning a family reunion, everything booming
 hop out the bus in the [?]
 come to your door like i'm newman
 putting my life in this music
 my god in this music, my heart in this music
 what else are we doing?
 this is that pure, no substtution
 i'm not the man, i'm a human
 this for the fans of the movementfor the friends and the family
 who know that we're doing this more than just rapping
 we're back on road, 'bout to pull up
 tour bus, parking in the lot
 what's happening?
 jordan 4's and the pure boost, long tee with the hoodie on
 that's fashion (yes it is)
 when you see me on stage, that's pssion
 for the god who allows what i'm rapping
 y'all soothsayers, we truth tellers, we good fellas
 our band of brothers, got the gang smothered
 so we hit the road, switching lanes over
 this game over
 and we ride 'til he say, "over"
 rap game, here's your makeover
 still three amigos when the day's over, fernit's very simple. here's a couple things that i would
 do. one, you should never go outside without a helmet. and you never disrespect my friends or
 my familyif you don't know them, you don't know me man
 friends of the family
 do it for the friends of the family
 friends and the family
 do it for the friends of the family
 who else?
 friends of the family

do it for the friends of the family
friends of the family
if you don't know them, you don't know me man
andy mineo]
