Alice Cooper

Some folks Love to see red Some folks Never talk about it Some folks Crave a blue lady Some folks Know and still they doubt itI'm just no good without it I'm not a man at all It makes my skin crawlBaby, baby Come on and save me, save me My, my baby, baby, Come on and save me now Some folks Love to feel pain Some folks Wake up every mornin' Some folks Live for no reason Some folks Die without a warningI'm just no good without it I'm not a man at all It makes my skin crawlBaby, baby Come on and save me, save me My, my baby, baby, Come on and save me, save me My, my baby, baby Come on and save me now I can't live without it I just can't live without it I don't wanna think about itI'm just no good without it I'm not a man at all It makes my skin crawlBaby, baby Come on and save me, save me My, my baby, baby, Come on and save me, save me My, my baby, baby Come on and save me, save me, My, my baby, baby Come on and save me, save meI can't live without it I just can't live without it I don't wanna think about it
