

# Say

## The Corrs

Gone are the days when i was young and free  
The future, I can't see  
Gone are the days of precious love  
Relied on and leaned on  
So many days of sleepless nights  
By your side, why-oh-why  
I never thought that it would be like this  
My first love, the last time  
But if he say, say, says that he loves me (say that you love me)  
I can cry, I can smile  
But if he say, say, says that he needs me (say that you need me)  
There's a light, there's a light  
Light for me  
(Sa-ay)  
So many things that I would like to say  
But he took you, took you away  
So many things I'd like to ask  
It's no good, 'cause you're not here  
I hear your voice, I see you laugh  
If only you were here  
You've seen the night, and I the day  
But sometime we'll walk away  
But if he say, say, says that he loves me  
I can cry, I can smile  
But if he say, say, says that he needs me  
There's a light, there's a light  
Light for me(Never wanna feel that again, that again  
Never wanna feel that again)  
(Lean on, gotta rely on, don't leave me, don't leave me)  
(Lean on (Lean on), gotta rely on (rely on),  
don't leave me (please me), don't leave me (please me))  
Gone are the days when I was young and free  
(Lean on (Lean on), gotta rely on (rely on),  
don't leave me (please me), don't leave me (please me))  
Gone are the days of precious love  
(Lean on (Lean on), gotta rely on (rely on),  
don't leave me (please me), don't leave me (please me))  
Relied on and leaned on  
But if he say, say, says that he loves me  
I can cry, I can smile  
But if he say, say, says that he needs me  
There's a light, there's a light  
Light for me  
Yeah

Light for me  
(Sa-ay)  
(So many things I would like to say  
but he took you away, he took you away  
So many things I would like to ask  
but he took you away, he took you away)  
(Sa-ay)  
(Sa-ay)  
(Sa-ay)
