

City Lights

Bridgit Mendler

It's a long road And it get's windy
Fog is real low
And it's so blinding
Oh I'm trying to steer
Trying to take the lead
But I feel like
The road is steering me Getting so lost Like a castaway Feeling so crossed
Like a renegade
And I'm trying to call out
In the big city
Just a small voice
And no one's listening to me
Oh oh
Tell me where to go
Tell me that you know Just how bright I glow
Every time
That you think you've lost your shine Just remember nothing's brighter
You're the city lights
Every time
That you fade into the night Just remember you're the fire
You're the city lights
So shine into the night, night, night, night, oh
Shine into the night, night, night, night, oh Shine into the night, night, night, night, oh
Shine into the night, night, night, ooh
Oh I'm blending in And I'm sticking out
Like a sore thumb
That they don't know about
Wanna make peace Wanna just breathe
Wanna be the light
That makes them all believe
I'm the race car
Not the spectator
I'm the hero Not the narrator
Hercules, battling, conquering everything, yeah
Oh oh
Tell me where to go
Tell me that you know Just how bright I glow
Every time
That you think you've lost your shine
Just remember nothing's brighter
You're the city lights, you're the city lights
Every time

That you fade into the night
Just remember you're the fire
You're the city lights
That shine into the night, night, night, night, oh
Shine into the night, night, night, night, oh
Shine into the night, night, night, night, oh
Shine into the night, night, night, ooh
Everybody knows
That everybody glows
Like the city lights
Everybody knows
That everybody glows
Like the city lights
Everybody knows
That everybody glows
Like the city lights
Everybody knows
That everybody glows
Like the city lights
Everybody knows
That everybody glows
Like the city lights
The city lights oh oh
Oooh the city lights ooooh
Every time
That you think you've lost your shine
Just remember nothing's brighter
You're the city lights, you're the city lights
Every time
That you fade into the night
Just remember you're the fire
You're the city lights
That shine into the night, night, night, night, oh
Shine into the night, night, night, night, oh
Shine into the night, night, night, night, oh
Shine into the night, night, night, ooh
