Never Gonna Let You Go

Sergio Mendes

I was as wrong as I could be To let you get away from me I'll regret that move for as long as I'm livin' But now that I've come to see the light All I wanna do is make things right So just say the word and tell me that I'm forgivenYou and me, we're gonna be better than we were before Loved you then but now I intend To open up and love you even more This time, you can be sure I'm never gonna let you go I'm gonna hold you in my arms forever Gonna try and make up for all the times I hurt you so Gonna hold your body close to mine From this day on, we're gonna be together Oh, I swear this time I'm never gonna let you goLookin' back now, it seems so clear I had it all when you were here Oh, you gave it all And I took it for grantedBut if there's some feeling left in you Some flicker of love that still shines through Let's talk it out Let's talk about second chances Wait and see, it's gonna be sweeter than it was before I gave some then but now I intend To dedicate myself to giving more This time you can be sureI'm never gonna let you go I'm gonna hold you in my arms forever Gonna try and make up for all the times I hurt you soGonna hold your body close to mine From this day on, we're gonna be together Oh, I swear this time I'm never gonna let you goOh, so if you'll just say You want me tooI'm never gonna let you go I'm gonna hold you in my arms forever Gonna try and make up for all the times I hurt you soGonna hold your body close to mine From this day on, we're gonna be together Oh, I swear this time I'm never gonna let you go Never gonna let you go
