

# Girls Like You

Miguel

[Chorus]

Girls like you remind me that I'm lonely

Yeaah

Remind me that I'm lonely

No one to play Connect 4 with me

I Declare War with me

Knock out the snore from rolling around in my bed[Verse 1]

Someone, anyone to listen

I feel like I'm missing the real thing

Tell me where I go

Girl I got a few

I can always call when I'm ready

But I feel like I'm wasting my time.

Yeah

[Pre-chorus]

'Cause my heart beats are empty

So once in awhile...[Chorus]

Girls like you remind me that I'm lonely

Yeaah

Remind me that I'm lonely

No one to play Connect 4 with me

I Declare War with me

Knock out the snore from rolling around in my bed[Verse 2]

I don't wanna think, I just wanna drink

Cause I'm overcome by this notion

Don't you know I'm real, baby can't you tell

But you got a hole in your heart

I probably would dismiss it

The truth that I miss you for real

Hook up something new?

Till I see a girl like you[Pre-chorus]

'Cause my heart beats are empty

So once in awhile...[Chorus]

Girls like you remind me that I'm lonely

Yeaah

Remind me that I'm lonely

No one to play Connect 4 with me

I Declare War with me

Knock out the snore from rolling around in my bed[Bridge]

Beautiful girls

Intelligent girls

Collate girlsI hate ya

(Yeah I hate ya)  
But the truth is I want ya  
And I need ya  
What's the very best way to reach ya?  
I research ya?  
'Cause I'm looking for something real[Pre-chorus]  
'Cause my heart beats are empty  
So once in awhile...[Chorus]  
Girls like you remind me that I'm lonely  
Yeaah  
Remind me that I'm lonely  
No one to play Connect 4 with me  
I Declare War with me  
Knock out the snore from rolling around in my bed
