

Father and Son

Boyzone

It's not time to make a change
Just relax, take it easy
You're still young, that's your fault
There's so much you have to know
Find a girl, settle down
If you want, you can marry
Look at me, I am old
But I'm happy...
I was once like you are now
And I know that it's not easy
To be calm, when you've found
Something going on
...
Take your time, think a lot
Think of everthing you've gotFor you will still be here tomorrow
But your dreams may not
...
How can I try to explain?
When I do, he turns away again
And it's always been the same
Same old story...
From the moment I could talkI was old enough to listen
Now there's a way and I know
That I have to go away I know, I have to go
...
It's not time to make a changeJust sit down and take it slowly
You're still young, that's your fault
There's so much you have to go through
Find a girl, settle down
If you want, you can marry
Look at me, I am old
But I'm happy
All the times, that I've cried
Keeping all the things I knew inside
And it's hard
But it's harder to ignore it
...
If they were right, I'd agree
But it's them they know, not me
Now there's a way and I know that
I have to go away I know, I have to go
