

Thought I'd Died and Gone to Heaven

[Bryan Adams](#)

Love is forever - as I lie awake
Beside you
I believed - there's no heaven
No hideaway - for the lonely But I was wrong - crazy
It's gotta be strong
It's gotta be right Only wanted to stay a while
Only wanted to play a while
Then you taught me to fly like a bird Baby - thought I'd died and gone to heaven
Such a night I never had before
Thought I'd died and gone to heaven
Cause what I got there ain't no cure for
Ooo it's so easy
What you do to me all night angel
I never loved - I swear to God
Never needed no one, 'til you came along Here I come baby
It's gotta be strong - it's gotta be right
Only wanted to stay awhile
Only wanted to play awhile
Then you taught me to fly like a bird Baby - thought I'd died and gone to heaven
Such a night I never had before
Thought I'd died and gone to heaven
Cause what I got there ain't no cure for I feel fast asleep - I feel drunk
I dream the sweetest dreams
Never wanna wake up
Never thought it could be this way
No doubt about it - can't live without it
Never thought it could be this good
You made love to me - the way it oughta be
