

Flashlight (Sweet Life Mix)

Hailee Steinfeld

When tomorrow comes
I'll be on my own
Feeling frightened of
The things that I don't know
When tomorrow comes
Tomorrow comes
Tomorrow comes And though the road is long
I look up to the sky
And in the dark I found I stop that I won't fly And I sing along
I sing along
And I sing along
I got all I need when I got you and I
I look around me and see a sweet life
I'm stuck in the dark but you're my flashlight
You're getting me Getting me through the night Kickstart my heart when you shine it in my eyes
Can't lie
It's a sweet life I'm stuck in the dark but you're my flashlight
You're getting me
Getting me through the night
'Cause you're my flashlight (flashlight) You're my flashlight (flashlight)
You're my flashlight
Ooh
I see the shadows long
Beneath the mountain top
I'm not afraid
When the rain won't stop
'Cause you light the way
You light the way
You light the way
I got all I need when I got you and I
I look around me and see a sweet life
I'm stuck in the dark but you're my flashlight
You're getting me Getting me through the night
Kickstart my heart when you shine it in my eyes
Can't lie
It's a sweet life
I'm stuck in the dark but you're my flashlight You're getting me
Getting me through the night
(Light, light, light, you're my flashlight)
Light, light, you're my flashlight
Light, light, light, light, light, oh
(Light light light you're my flashlight) You're my flash, oh

I got all I need when I got you and I
I look around me and see a sweet life
I'm stuck in the dark but you're my flashlight
 You're getting me
 Getting me through the night
Kickstart my heart when you shine it in my eyes (shine it in my eyes)
 Can't lie
 It's a sweet life
I'm stuck in the dark but you're my flashlight (You're my flashlight)
 You're getting me
 Getting me through the night
 'Cause you're my flashlight
'Cause you're my flashlight (flashlight)
 You're my flashlight
 Ooh ooh
 Ooh ooh
Ooh ooh ooh ooh ooh
 Ooh oh oh
 You're my flashlight
 Light, light
 You're my flashlight
 Light light ye-yeah
 Light light light
 You're my flashlight
 Light light
 You're my flashlight
