Flashlight (Sweet Life Mix)

Hailee Steinfeld

When tomorrow comes I'll be on my own Feeling frightened of The things that I don't know When tomorrow comes Tomorrow comes Tomorrow comesAnd though the road is long I look up to the sky And in the dark I foundI stop that I won't flyAnd I sing along I sing along And I sing along I got all I need when I got you and I I look around me and see a sweet life I'm stuck in the dark but you're my flashlight You're getting meGetting me through the nightKickstart my heart when you shine it in my eyes Can't lie It's a sweet lifeI'm stuck in the dark but you're my flashlight You're getting me Getting me through the night 'Cause you're my flashlight (flashlight)You're my flashlight (flashlight) You're my flashlight Ooh I see the shadows long Beneath the mountain top I'm not afraid When the rain won't stop 'Cause you light the way You light the way You light the way I got all I need when I got you and I I look around me and see a sweet life I'm stuck in the dark but you're my flashlight You're getting meGetting me through the night Kickstart my heart when you shine it in my eyes Can't lie It's a sweet life I'm stuck in the dark but you're my flashlightYou're getting me Getting me through the night (Light, light, light, you're my flashlight) Light, light, you're my flashlight Light, light, light, light, oh (Light light you're my flashlight)You're my flash, oh

I got all I need when I got you and I I look around me and see a sweet life I'm stuck in the dark but you're my flashlight You're getting me Getting me through the night Kickstart my heart when you shine it in my eyes (shine it in my eyes) Can't lie It's a sweet life I'm stuck in the dark but you're my flashlight (You're my flashlight) You're getting me Getting me through the night 'Cause you're my flashlight 'Cause you're my flashlight (flashlight) You're my flashlight Ooh oh oh You're my flashlight Light, light You're my flashlight Light light ye-yeah Light light light You're my flashlight Light light You're my flashlight
