

Something About You

Boston

When I was younger, I thought I could stand on my own.
It wasn't easy, I stood like a man made of stone.
But there was something about you (I want you to know),
It brought a change over me (it's starting to show).
I've got this feeling inside,
Got to have you, have you,
Ain't no good to hide.(Chorus)
It isn't easy to show
What I'm feeling inside, girl.
It isn't easy, I know
When you believe in a man like me.
When I get angry I say things I don't want to say.
I really mean it, I don't want to leave you this way.
I couldn't help my reaction (I want you to know),
I lose control over you (I just want you to know).
I've got this feeling inside,
Got to have you, have you,
Ain't no good to hide.It isn't easy to show
What I'm feeling inside, girl.
It isn't easy, I know
When you believe in a man like me.But there was something about you,
It brought a change over me.
I've got this feeling inside,
Got to have you, have you,
Ain't no good to hide.
It isn't easy to show
What I'm feeling inside, girl.
It isn't easy, I know
When you believe in a man like me.
Like me
Can't you see?
I've gotta, gotta have you.But there was something about you.
Yeah, there was something about you.
