

# Talk Tonight

## Oasis

Sittin' on my own chewin' on a bone  
A thousand million miles from home  
When something hit me  
Somewhere right between the eyes  
Sleepin' on a plane you know you can't complain  
You took your last chance once again  
I landed stranded  
Hardly even knew your name  
I wanna talk tonight  
Until the mornin' light  
'Bout how you saved my life  
You and me see how we are  
You and me see how we are  
All your dreams are made of strawberry lemonade  
And you make sure I eat today  
You take me walking  
To where you played when you were young  
I'll never say that I won't ever make you cry  
And this I say I don't know why  
I know I'm leaving  
But I'll be back another day  
I wanna talk tonight  
Until the mornin' light  
'Bout how you saved my life  
I wanna talk tonight  
'Bout how you saved my life  
'Bout how you saved my life  
'Bout how you saved my life  
'Bout how you saved my life
