Gary Clark Jr.

Lord.
My lord
I need your helping hand
...
I'm in love with a woman
whose in love with a man
I can't be
...
it ain't me
I was taught to be patient
I was taught to be kind
But I don't mind
...
Lord
My lord
I need your helping hand
...
I worked... long hours
Now I'm drunk
and I'm stoned
I'm all alone
hmm
...
Miles from home
...
Lord
My lord
I need your helping hand
Lord
My lord
I need your helping hand
...
