Make It Rain

Ed Sheeran

When the sins of my father

Weigh down in my soul

And the pain of my mother

Will not let me goWell I know there can come fire from the sky

To refine the purest of kings

And even though

I know this fire brings me pain

Even so

And just the same

Make it rain

Make it rain down, Lord

Make it rain

Oh, make it rain

Make it rain

Make it rain down, Lord

Make it rain

Make it rainOh, the seed needs the water

Before it grows out of the ground

But it just keeps on getting hotter

And the hunger more profoundWell I know there can come tears from the eye

But they may as well all be in vain

And even though

I know these tears come with pain

Even so

And just the same

Make it rain

Make it rain down, Lord

Make it rain

Oh, make it rain

Make it rain

Make it rain down, Lord

Just make it rain

Make it rainOh, the seas are full of water

That stops by the shore

Just like the riches of grandeur

Oh, no no

Never reach the poorAnd let the clouds fill with thunderous applause

And let lightning be the veins

And fill the sky, with all that they can draw

When it's time to make a changeMake it rain

Make it rain down. Lord

Make it rain

Make it rain

Make it rain

Make it rain down, Lord

Make it rain

Oh, make it rain

Make it rain

Make it rain

Make it rain

Oh, make it rain

Make it rain

Make it rain down, Lord

Make it rain

Oh, make it rain

Make it rain
