

# Zoom

## DNCE

Baby, put on your high heels  
Running shoes and let's just run away  
Yeah, I got the plan to kill your blues  
And all it's gonna take is you and me I got a full tank lady and I'm ready to drive  
I got a full tank baby, just look up at the sky  
Don't you back up back up buy you all the things  
When we find a place to stay, yeah You say that you hate it here  
So why don't we disappear?  
If you want to go to the moon  
I'll take you there, baby zoom  
Zoom, just pick a spot on the map  
And I'll get you there and back  
If you want to go to the moon  
I'll take you there, baby zoom  
Pedal to...  
Pedal like the devil, gonna drive you straight to heaven  
'Til you're smiling hard  
Wishing on a bottle, let your hand just drive the throttle  
Like a shooting star, yeah I got a full tank lady and I'm ready to drive  
I got a full tank baby, just look up at the sky  
Name the time and place and I'll come get you  
It don't matter if it's near or far, no, woah You say that you hate it here  
So why don't we disappear?  
If you want to go to the moon  
I'll take you there, baby, zoom  
Just pick a spot on the map  
And I'll get you there and back  
If you want to go to the moon  
I'll take you there, baby, zoom  
Where you going? I'm going too  
Where you going? I wanna ride with you  
Where you going? 'Cause I'm going too  
Where you going? I wanna ride with you Hey, you say that you hate it here  
So why don't we disappear?  
If you want to go to the moon  
I'll take you there, baby, zoom  
Just pick a spot on the map  
And I'll get you there and back  
If you want to go to the moon  
I'll take you there, baby, zoom Woo! Ha ha. Zoom!
