

# If a Song Could Get Me You

Marit Larsen

I could try you with a waltz  
I could try you rock and roll  
I could try you with the blues  
If a song would do I could sing it high or low  
When I let you go, you know  
I thought it was for the best  
Now it is so obvious So here it is, here it goes  
I could try it rock and roll  
Change your life forever too  
If a song could get me you  
I could make it high or low  
Sing it on the radio  
If that is what I need to do  
If a song could get me you  
I could run for miles and miles  
I'd take off and I'd start flying  
I could cross land and sea  
If you just believe me I should not have hurt you so  
This old house is not a home  
Without you here, there's no use  
I've got no time left to lose So here it is, here it goes  
I could try it rock and roll  
Change your life forever too  
If a song could get me you  
I could make it high or low  
Sing it on the radio  
If that is what I need to do  
If a song could get me you  
If a song could get me through  
I'd sing my way right back to you  
Tell me how to make it right  
Tell me now, I'll start tonight  
I know I could make it last I swear to you that if I knew  
What I was getting myself into  
I wouldn't answer to my fears  
I'd never leave you standing there Just look at me I'd only see me  
I would prove my love for you  
I could swallow half the moon  
Just tell me where, tell me when  
I will have you back again Yeah, here it is, here it goes  
I could try it rock and roll  
Change your life forever too

If a song could get me you  
I could make it high or low  
Sing it on the radio  
If that is what I need to do  
If a song could get me you  
Yeah, here it is, here it goes  
I could try it rock and roll  
Change your life forever too  
If a song could get me you  
I could make it high or low  
Sing it on the radio  
If that is what I need to do  
If a song could get me you
