Follow these instructions Do exactly as I do Lean your shoulders forward Let your hands slide over to my side Move your body closer Let your heart meet mineLove is the harmony Desire is the key I was the melody Now sing it with meCome a little closer Take a look at me This light is so obvious I want you to see Come a little closer Look me in the eye Then repeat with me One more timeLove is the harmony Desire is the key Love is a symphony Now play it with meLove is the harmony Desire is the key Love is a symphony Now play it with meYou'll be the rhythm and I'll be the beat You'll be the rhythm and I'll be the beat Then I'll be the rhythm and you'll be the beat And love, the shoreline, where you and I meet You'll be the rhythm and I'll be the beat You'll be the rhythm and I'll be the beat Then I'll be the rhythm and you'll be the beat And love, the shoreline, where you and I meetLove is the harmony Desire is the key Love is a symphony Come, sing some with me
