

Silvertongue

Young the Giant

Trying to think of a way to get started
Stutter, my full train of thought just departed
Taste of massacre on my breath
Let me get this off your chest
Open my mind but the gems falling out, make you lose control Oh, girl I've got that silver tongue
Got, got that silver, silver tongue
Drives you into delirium
Got, got that silver, got that silver tongue like
Oh, I'm addicted to madness, but what can I say?
I'm addicted to pennies, but what can I do?
I got my silver tongue
Clothes on the floor, but the bed's on the ceiling
Slurring my lines, but I'm nailing the meaning
I say what you want me to say
But talk only gets in the way
Rolling our eyes now move over to describe how we lose control Oh, girl I've got that silver
tongue
Got, got that silver, silver tongue
Drives you into delirium
Got, got, that silver, got that silver tongue like
Oh, I'm addicted to madness, but what can I say?
I'm addicted to pennies, but what can I do?
I got my silver tongue I got nothing to lose
And all the things you do
Yeah, I got nothing to lose
Oh, girl I've got that silver tongue
Got, got that silver, silver tongue
Drives you into delirium
Got, got, that silver, got that silver tongue like
Oh, I'm addicted to madness, but what can I say?
I'm addicted to badness, but what can I do?
I got my silver tongue
