

# Always Love

## Nada Surf

To make a mountain of your life  
Is just a choice  
But I never learned enough  
To listen to the voice that told me  
Always love  
Hate will get you every time  
Always love  
Don't wait til the finish line Slow demands come 'round  
Squeeze the air and keep the rest out  
It helps to write it down  
Even when you then cross it out But Always Love  
Hate will get you every time  
Always Love  
Even when you wanna fight  
Self-directed lives  
I want to know what it'd be like to  
Aim so high above  
Any card that you've been dealt, you... Always Love  
Hate will get you every time  
Always Love  
Hate will get you... I've been held back by something  
Yeah.  
You said to me quietly on the stairs  
I've been held back by something  
Yeah.  
ou said to me quietly on the stairs.  
You said  
Hey, you good ones  
Hey, you good ones  
To make a mountain of your life  
Is just a choice  
But I never learned enough  
To listen to the voice that told me...  
Always love  
hate will get you every time  
Always love hate will get you? I've been held back by something  
Yeah  
You said to me quietly on the stairs  
I've been held back by something  
Yeah  
You said to me quietly on the stairs  
You said.

Hey, you good ones  
Hey, you good ones  
Hey, you good ones
