

# Baby It's Cold Outside

John Travolta & Olivia Newton-John

I really can't stay  
- Baby it's cold outside  
I've got to go away  
- Baby it's cold outside  
This evening 's been ooh  
So very nice -  
- Been hoping just that you'd drop in  
My mother will start to worry  
I'll hold your hands, they're just like ice  
My father will be pacing the floor  
- handsome, what's your hurry  
So really I'd better scurry  
handsome please don't worry  
Well Maybe just a half a drink more  
- Livs some records on while I pour  
The neighbors might think  
-but Baby, it's cold out there  
Say, what's in that drink -  
No cabs to be had out there  
I wish I knew how -  
Your eyes are like starlight now  
To break this spell - I'll take your hat, your hair looks swell  
I ought to say no, no, no,  
- Mind if I move a little closer  
At least I'm gonna say that I tried  
- What's the sense in hurting my pride  
I really can't stay  
- Baby don't hold out  
Ahh, but it's cold outsideC'mon baby  
I simply must go - Baby, it's cold outside  
The answer is no - Ooh baby, it's cold outside  
This welcome has been  
So nice and warm  
-- Look out the window at that storm  
My sister will be suspicious  
- Gosh, your lips so delicious  
My brother will be there at the door  
- Waves upon a tropical shore  
My maiden aunt's mind is vicious  
- Gosh your lips are delicious  
Well maybe just a half a drink more  
- Never such a blizzard beforeI've got to go home

- Oh, baby, you'll freeze out there  
Say, lend me your comb  
- but It's up to your knees out there  
You've really been grand -  
I feel it whe you touch my hand  
But don't you see  
- How can you do this thing to me  
There's bound to be talk tomorrow  
- Making my life long sorrow  
At least there will be plenty implied  
- If you caught pneumonia and died  
I really can't stay  
- Get over that old out  
Ahh, but it's cold outsideBaby it's cold outsideDon't go John  
I'm staying
