

I'm Letting Go

Francesca Battistelli

My heart beats, standing on the edge
But my feet have finally left the ledgeLike an acrobat
There's no turning backChorus
I'm letting go
Of the life I planned for me
And my dreams
Losing control
Of my destiny
Feels like I'm falling and that's what it's like to believe
So I'm letting go
This is a giant leap of faith
Trusting and trying to embraceThe fear of the unknown
Beyond my comfort zoneChorus
I'm letting go
Of the life I planned for me
And my dreams
Losing control
Of my destiny
Feels like I'm falling and that's what it's like to believe
So I'm letting go
Giving in to your gravity
Knowing You are holding me
I'm not afraidFeels like I'm falling and that's what it's like to believe
Feels like I'm falling and this is the life for me
