

Haute Mess

NERVO

We could go out all night
I know you understand
I'm so much better than her I'm a haute mess
A haute mess, a haute mess
A haute mess Fuck you with your cute haircut
Fuck them with their eyes that stare
I'm so much better than her
I'm a haute mess
You know you want it
Haute mess, a haute mess
Baby, I got it
I'm a...
Alright Haute mess, a haute mess Do you know the bar girl?
Oh, baby, yeah, baby
I'm so much better than her
I'm a haute mess, a haute mess
You know you want it
Haute mess, a haute mess
Baby, I got it
Haute mess, a haute mess
You know you want it
Haute mess, a haute mess
Mess, mess, mess, mess, mess, mess
Alright Haute mess, a haute mess
