

# Them Changes

## Thundercat, OG Ron C & DJ Candlestick

Nobody move, there's blood on the floor  
And I can't find my heart!  
Where did it go?  
Did I leave it in the cold?  
So please give it back, 'cause it's not yours to take!  
It must have fell when I lost my mind  
Deep in the cut, drowning in a pain  
Somebody help 'cause I can't find my way  
Nobody move, nobody move!  
Somebody tell me how I'm supposed to feel  
When I'm sitting here knowing this ain't real  
Why in the world would I give my heart to you?  
Just to watch you throw it in the trash  
I've been traveling so long, I don't think I can hold on  
Where were you when I needed you the most?  
Now I'm sitting here with a black hole in my chest  
A heartless, broken mess
