

# Be Prepared For Hell

## Slipknot

I can't get out or I'll die, just let me be  
I'll never be never  
Be prepared for hell, and I'll say oh well Just tell me when I can open my eyes  
And realize I've died  
Be prepared for hell, and I'll say oh well  
Just tell me when I can open my eyes  
And realize I've died  
(Be prepared for hell)
