

# From Now On

## Hugh Jackman & The Greatest Showman Ensemble

I saw the sun begin to dim  
And felt that winter wind  
Blow cold  
A man learns who is there for him  
When the glitter fades and the walls won't hold  
Cause from then, rubble  
What remains  
Can only be what's true  
If all was lost  
Is more I gain  
Cause it led me back  
To you  
From now on  
These eyes will not be blinded by the light  
From now on  
What's waited till tomorrow starts tonight  
Tonight  
Let this promise in me start  
Like an anthem in my heart  
From now on  
From now on I drank champagne with kings and queens  
The politicians praised my name  
But those are someone else's dreams  
The pitfalls of the man I became  
For years and years  
I chased their cheers  
The crazies be always needed more  
But when I stop  
And see you here  
I remember who all this was for  
And from now on  
These eyes will not be blinded by the light  
From now on  
What's waited till tomorrow starts tonight  
It starts tonight  
And let the promise in me start  
Like an anthem in my heart  
From now on  
From now on  
From now on And we will come back home  
And we will come back home  
Home, again!

And we will come back home  
And we will come back home  
Home, again!  
And we will come back home  
And we will come back home  
Home, again!(From now on!)And we will come back home  
And we will come back home  
Home, again!  
And we will come back home  
And we will come back home  
Home, again!  
And we will come back home  
And we will come back home(Yes)Home, again!  
And we will come back home  
And we will come back home  
Home, again!  
From now onThese eyes will not be blinded by the light!From now on!Whats waited till  
tomorrow starts tonight!  
It starts tonight!  
Let the promise in me start  
Like an anthem in my heart  
From now on  
From now on  
From now on!And we will come back home  
And we will come back home  
Home, again!  
And we will come back home  
And we will come back home  
Home, again!  
And we will come back home  
And we will come back home  
Home, again!From now on
